Privilege	Newly Requested	Currently Held	Granted / Renewed
Use of Laser			

Acknowledgment of Practitioner
I have requested only those privileges which by education, training, current experience, and demonstrated performance I am qualified to perform, and for which I wish to exercise at this center. I further understand that: A. Privileges requested may differ from those granted and approved; B. Completion of this form, at the present time, does not preclude me from requesting additional privileges in the future; C. The granting of clinical privileges will be made in conformance with the applicable Medical Staff Bylaws and Policies and Procedures; D. Failure to obtain and maintain all threshold criteria set forth above, or non-compliance with the applicable Medical Staff Bylaws or Policies or Procedures, may constitute grounds for non-renewal or restriction/limitation of clinical privileges.
_____ Practitioner's Signature _____ Date

Medical Director Declaration

The practitioner's request for new, modified, or renewed clinical privileges has been reviewed by the Center's Medical Director or an appropriate member of the Medical Executive Committee and presented to the Governing Board for approval. Privileges that have received a checkmark in the designated column have been granted. Any privileges that were requested but not granted are listed below, along with an explanation for each determination.

Medical Director: Michael A. Gorin, M.D.
