Hand and upper extremity amputation			
Fasciotomy			
Drainage of abscesses			
Joint and tendon sheath release and/or repair			
Joint repair and reconstruction			
Hand and upper extremity tendon transfer			
Management of fingertip injuries			
Management of fractures and dislocations			
Management of tumors			

Privilege	Newly Requested	Currently Held	Granted / Renewed
Management of vascular disorders and insufficiencies			
Replantation and revascularization			
Management of tendon injuries			

Pediatric Craniomaxillofacial Surgery

Qualifications

Education & Training:	Applicants must meet criteria for core plastic surgery privileges and have successfully completed a one-year fellowship in pediatric craniomaxillofacial surgery.		
Certification:	Current certification or board eligible with achievement of certification within 5 years of completing formal training leading to certification in plastic surgery by the American Board of Plastic Surgery or the American Osteopathic Board of Surgery in Plastic and Reconstructive Surgery; OR An equivalent as set forth in the Medical Staff Bylaws.		
New Privilege:	Demonstrated current competence with evidence of at least 12 pediatric craniomaxillofacial surgeries within the past 12 months that are reflective of the scope of privileges requested; OR Successful completion of fellowship training within the past 12 months.		
Renewal of Privilege:	Demonstrated current competence with evidence of at least 36 pediatric craniomaxillofacial surgeries within the past 36 months that are reflective of the scope of privileges requested.		
Privilege	Newly Requested	Currently Held	Granted / Renewed
Cranial vault osteotomies and reconstruction			
Midfacial osteotomies and reconstruction			
Orthognathic surgery			
Distraction osteogenesis			
Cleft lip and palate surgery			
Microtia reconstruction			
Temporomandibular joint reconstruction			
Fabrication of dental splints			
Dental extraction			
Placement of osseointegrated implants			

Advanced Hand Surgery

Qualifications

Education & Training:	Applicants must meet criteria for core plastic surgery privileges and have successfully completed a one-year fellowship in hand surgery.		
Certification:	Current certification or board eligible with achievement of certification within 5 years of completing formal training leading to certification in plastic surgery by the American Board of Plastic Surgery or the American Osteopathic Board of Surgery in Plastic and Reconstructive Surgery; AND Successful completion of a certification of advanced qualification (CAQ) in Hand Surgery; OR An equivalent as set forth in the Medical Staff Bylaws. Maintenance of Certification is required unless a provider is legacy (grandfathered) as set forth in the Medical Staff Bylaws.		
New Privilege:	Demonstrated current competence with evidence of at least 12 advanced hand surgeries within the past 12 months that are reflective of the scope of privileges requested; OR Successful completion of fellowship training within the past 12 months.		
Renewal of Privilege:	Demonstrated current competence with evidence of at least 36 advanced hand surgeries within the past 36 months that are reflective of the scope of privileges requested.		
Privilege	Newly Requested	Currently Held	Granted / Renewed
Arthroscopy			
Endoscopic nerve decompression			
Distal radius fracture repair			
Thumb reconstruction by pollicization			
Thumb reconstruction by metacarpal distraction osteogenesis			
Management of congenital deformities, including syndactyly, polydactyly, radial aplasia and others			

Use of Laser			
Qualifications			
Education & Training:	Successful completion of an approved residency in a specialty or subspecialty that included training in laser principles.		
New Privilege:	Completion of the Laser Safety course (appropriate to your discipline) as well as the Surgical Fire Safety course through PEAK on the Mount Sinai intranet within 12 months of initial credentialing; OR Completion of equivalent courses at the approval of the Medical Executive Committee.		
Renewal of Privilege:	Course completion within 12 months of recredentialing.		
Privilege	Newly Requested	Currently Held	Granted / Renewed
Use of Laser			

Acknowledgment of Practitioner
I have requested only those privileges which by education, training, current experience, and demonstrated performance I am qualified to perform, and for which I wish to exercise at this center. I further understand that: A. Privileges requested may differ from those granted and approved; B. Completion of this form, at the present time, does not preclude me from requesting additional privileges in the future; C. The granting of clinical privileges will be made in conformance with the applicable Medical Staff Bylaws and Policies and Procedures; D. Failure to obtain and maintain all threshold criteria set forth above, or non-compliance with the applicable Medical Staff Bylaws or Policies or Procedures, may constitute grounds for non-renewal or restriction/limitation of clinical privileges.
Practitioner's Signature Date

Medical Director Declaration

The practitioner's request for new, modified, or renewed clinical privileges has been reviewed by the Center's Medical Director or an appropriate member of the Medical Executive Committee and presented to the Governing Board for approval. Privileges that have received a checkmark in the designated column have been granted. Any privileges that were requested but not granted are listed below, along with an explanation for each determination.

Medical Director: Michael A. Gorin, M.D.
